

Jim Carrey puts his Trust in Bungee America

Jim Carrey put his life in the hands of Ron Jones and Bungee America when filming the movie "Yes Man".

Ron Jones (founder of Bungee America) "I put my business in the hands of Search Optimizers."

Quote from Bungee America president Ron Jones (holder of five bungee jumping world records)

*"Your search engine optimization service has outperformed every other form of our advertising, bar none, over the last **10 years**. Before your service, I was in 50 different yellow pages, brochure racks and newspapers. **Now my marketing focus is my website.** As you are well aware, the World Wide Web has changed the way the world conducts business.*

*"Since Bungee America hired SearchOptimizers, sales have increased substantially. Your ability to maintain Bungee America high on the search engines is impressive. In an effort to maximize our marketing dollar, we track every call that comes into our office. It has been very **easy to statistically demonstrate the value your service provides to my company.** You have earned my trust and confidence."*
